## Frequently Asked Questions and the Future

The CUI draft regulation is out for public comment. When can agencies expect implementation to begin? How long might it take?

What are some incentives for classifying the minimum amount of information to protect our national security from damage?

# Questions from the Audience

How do you calculate the duration of a document marked 25X1-9, 50X1-9, or 75X1-9 where no declassification date is given?

Step 1:  $k \div 3 = 4$

Step 2:  $k \div 3 = 4$   
 $\quad \times 3 \quad \times 3$

Step 3:  $k \div 3 = 4 \times 3$   
 $\quad \times 3 \quad 12$

Step 4:  $k = 12$

$$\frac{x^a}{x^b} = x^{a-b}$$

How do you calculate the duration of a document marked 50X1-HUM or 50X2-WMD?

ISOO inspections/assessments usually have recommendations and/or required actions identified in the official reports. What happens if an agency elects not to implement a “required action” identified by ISOO?

Are classified documents required to have a cover sheet on the top and bottom?

Classification guides are required to identify the elements of information regarding a specific subject that warrants classification, or put another way, state precisely the elements of information to be protected. Please provide examples of this level of specificity or precision.

If hand-carrying Confidential or Secret material from one building to another by foot (not going on a flight), in an approved briefcase, is it required that the person carrying it also have an official courier letter?

Will the CUI Executive Agent create metadata tagging standards as part of CUI marking policy?

Given the eventual implementation of the CUI program, how will oversight activities change? Will ISOO start conducting inspections of CNSI and CUI programs at the same time (during the same visit)?
