SUBJ: Supreme Court Historical Society

I recently came into possession of a number of membership application forms for entry into the exclusive precincts of the Supreme Court Historical Society. The Society is a worthy group which funds various projects of historical interest at the Court and stages annually a lovely dinner in the Great Hall of the Court, to which all members are cordially invited.

If you would like more information, please contact Shirley Bania at your very earliest convenience. If she doesn't hear from you, she'll send you some additional information since we all realize how busy you are. Many thanks!
