MEMORANDUM FOR DIANNA G. HOLLAND

FROM: JOHN G. ROBERTS *JGR*

SUBJECT: Appointment of Michael Roth to International Private Enterprise Task Force

I have reviewed the Personal Data Statement submitted by Michael Roth and see nothing that would preclude his appointment to serve as a member of the International Private Enterprise Task Force. The Task Force was established by Executive Order 12395 (November 20, 1982). It consists of up to twenty-one members appointed by the President from among leaders of the private sector, "chosen primarily from the chief operating or chief executive officers of private enterprises, including agribusinesses." The Task Force is to give advice on the role private enterprise can play in implementing programs and activities under the Foreign Assistance Act of 1961.

Mr. Roth is an attorney and a review of his resume indicates that he may be considered a leader of the private sector, although he is not a chief operating or executive officer of an enterprise.
