Mon, Dec 14, 2020

**To:** All Employees.

**Attention supervisors:** If you have employees who do not have access to a computer, please ensure that those employees receive a copy of this notice. This includes employees on LWOP or paid leave.

---

This notice extends the suspension of in-person public programs and special events throughout our nationwide system to continue to protect our staff and help to limit the spread of COVID-19. In-person public programs and special events at all National Archives and Records Administration facilities are cancelled until further notice.

The National Archives is committed to protecting the health and safety of visitors, researchers, customers, contractors, and employees during the COVID-19 pandemic. As a federal government agency, we will open our facilities only when our assessment aligns with the criteria and requirements laid out by the Office of Management and Budget and the Office of Personnel Management, as detailed in M-20-23, ["Aligning Federal Agency Operations with the National Guidelines for Opening Up America Again."](#)

We will provide more details when they are available concerning the resumption of in-person public programs and special events via a NARA notice and on Archives.gov, the ICN, and over our social media channels.
