1. Notification

Regs say Archivist will notify a person if his name appears in the documents, and if that person has put his name on a registry

Ken: We need the procedures for notice mailed down by regulation.

Cluck: We need to ask the Archivist if he has ^(comprehensive list of) names of people mentioned in each batch of documents to be released.

2. Willard wrote letter in summer 1985 saying the rule is legally defensible

3. Pre-screening for Executive Privilege materials

4. Should Archivist have to publish a list
