Re: Case No. 201501237

Dear [REDACTED]:

This responds to your request for assistance to the Office of Government Information Services (OGIS) dated September 22, 2015. Your request for assistance pertains to your Freedom of Information Act (FOIA) request to the Department of Justice, Drug Enforcement Agency (DEA), with FOIA tracking No. [REDACTED]. Your request related to the [REDACTED].

As you know, Congress created OGIS to complement existing FOIA practice and procedure; we strive to work in conjunction with the existing request and appeal process. The goal is for OGIS to allow, whenever practical, the requester to exhaust his or her remedies within the agency, including the appeal process. OGIS has no investigatory or enforcement power, nor can we compel an agency to release documents. OGIS serves as the Federal FOIA Ombudsman and our jurisdiction is limited to assisting with the FOIA process.

We carefully reviewed the information you submitted and discussed the status of your case with the DEA FOIA Office. DEA informed us that it responded to your request on [REDACTED]. The DEA provided the following tracking number for you to track the location of the response through the U.S. Postal Service: [REDACTED].

I hope that this information is useful to you. Thank you for contacting OGIS; we will now consider this matter closed.

Sincerely,

Angel Simmons, Facilitator
Office of Government Information Services (OGIS)
