Dear Dr. Holzer:

This email is a follow-up to our phone conversation yesterday. As the Chief FOIA Officer at the U.S. African Development Foundation (USADF), I am responding to your letter of October 9, 2015, addressed to Doris Martin, USADF General Counsel and Chief Privacy Officer.

As we discussed yesterday, USADF would be able to add the routine use described in your letter to our system of records notices to provide access to OGIS so it can fulfill its responsibilities under 5 U.S.C. § 552(h). We would plan on including this amendment with other amendments to USADF's regulations in FY 2016.

Feel free to contact me if you need further information or have any questions.

Sincerely,

June B. Brown
