Dear agents of the United States and Representatives on the FOIAAC, Upon being directed by the DOJ's "FOIA Post" (see <http://blogs.justice.gov/oip/archives/122>) to access the DOJ's proposed revised FOIA regulations at "regulations.gov" (see <http://resources.regulations.gov/public/custom/jsp/navigation/main.jsp>), I received notice that such regulations are not found under the "Regulatory Agenda". As a matter of fact, they are not even published for public guidance on "justice.gov"! Considering that such regulations have never been finalized thirty nine (39) months after they were proposed, are they now being concealed from the public?! Sincerely, Brady Eames
