Dear agents of the United States and Representatives on the FOIAAC, Unlike here Executive FOIA partner OIP Director Melanie Pustay, OGIS Director Miriam Nisbet has neglected to proactively publish on the internet website "ogis.archives.gov" her testimonies presented to the U.S. Senate Committee on the Judiciary on March 15, 2011, March 13, 2012 March 13, 2013 and March 11, 2014. Ironic it is indeed that the lead "Federal FOIA Ombudsman" would proactively conceal from the public such important records stating the status, policies and activities of the OGIS under 5 USC 552. Sincerely, Brady Eames

Dear agents of the United States and Representatives on the FOIAAC, My previous email message regarding OGIS Director Miriam Nisbet should have read as follows: Unlike here Executive FOIA partner OIP Director Melanie Pustay who appears to have proactively published on "justice.gov" her testimonies presented on March 15, 2011 and March 13, 2012 to the U.S. Senate Committee on the Judiciary (Committee), OGIS Director Miriam Nisbet has neglected to proactively publish on the internet website "ogis.archives.gov" her testimonies presented on such dates, or on any other dates for that matter, to the Committee. Ironic it is indeed that the lead "Federal FOIA Ombudsman" would proactively conceal from the public such important records stating the status, policies and activities of the OGIS under 5 USC 552. Sincerely, Brady Eames

Dear agents of the United States and Representatives on the FOIAAC, On March 18, 2010 before the U.S. House Subcommittee on Information Policy, Census and National Archives (see <http://www.justice.gov/ola/testimony/111-2/2010-03-18-oip-pustay-foia-trends.pdf> and <http://www.archives.gov/congress/testimonies/information-policy-hearing-ogis-testimony-03-23-2010.pdf> , both the Director of the DOJ's OIP named Melanie Pustay and the un-codified Director of the CFR-un-codified OGIS named Miriam Nisbet neglected to refer to or address the deliberate and ubiquitous undermining of the Federal Register. Under the regime of the Obama administration, is it the overarching objective of the DOJ/OIP and the OGIS under 5 USC 552(h) to engage in ignorance of and contempt for 5 USC 552(a)(1) and convince the public that the execution of codifying in the Federal Register the administrative law of the Executive branch of the United States is not a subsection of or governed by the FOIA and instead sanction the publication of fugitive electronic regulations on the un-codified internet websites of the Federal agencies?! Sincerely, Brady Eames
