Dear agents of the United States, Although the 2014 version of Title 36 of the Code of Federal Regulations (CFR) was NOT published until today, October 23, 2014, such version does NOT contain the revised FOIA regulations of the National Archives and Records Administration which were published in the FEDERAL REGISTER (FR) on September 22, 2014 (see 79 FR 56500). Accordingly, please confirm that if an Executive agency that was due to publish its 2014 regulations in the CFR on July 1, 2014 was LATE in doing so but has codified revisions to its 2013 regulations after July 1, 2014, such revised regulations will NOT be published in the CFR until 2015. Thank you, Brady Eames
