Dear agents of the United States, As manifested in the adverse initial adjudications of ACUS' FOIA Cases 2015-6 and 2015-8, the Senior Executive/Career Reserved/General Counsel/Chief FOIA Officer and the Deputy General Counsel of the ACUS manifest either an ignorance of or contempt for the body of case law established with respect to FOIA "constructive exhaustion of administrative remedies". Referring to comments made in such adjudications, one would be impressed that the ACUS is somehow cloaked with an administrative immunity that entitles it to break the FOIA law because it is a "very small"/"micro" agency. Sincerely, Brady Eames
