Dear agents of the United States, Please confirm that OGIS-Director Miriam Nisbet has been secretly serving as the co-chair of the "FOIAonline Partnership". My searches of OGIS' website and NARA's website appear to reveal such service has never been published. Thank you, Brady Eames

Dear agents of the United States, Rather than direct the public to codified FOIA regulations, the "FOIAonline " appears intent on leading the public to a "FOIA-specific **Web site**". Please explain. Thank you, Brady Eames

Dear agents of the United States, As "FOIAonline " admits (see 3 of its "*Privacy and Security Notice*"), even after a submission of a FOIA request to "FOIAonline ", there's NO guarantee it's actually been RECEIVED by an agency for the purpose of 5 USC 552(a)(6) (A) in order to establish the running of the 20-Federal-working-day statute of limitations or constructive exhaustion of FOIA administrative remedies. In other words, until and unless an agency retrieves such request, it remains in the hands of such **THIRD PARTY NON-FEDERAL GOVERNMENT ENTITY (Booz Allen Hamilton)**. Sincerely, Brady Eames
