Dear agents of the United States, In NON-ACCORDANCE with its own FOIA rule codified under *29 CFR 102.117(c)(2)(v)*, the **FOIA Officer** of the NLRB named "Deirdre MacNeil" has inadvertently or intentionally **NOT notified** me in this forwarded adverse FOIA adjudication of my **right to appeal to the Chairman** of the **NLRB** with respect to the order of such "Deirdre MacNeil" to **NOT** waive the fees associated with my FOIA Request for the records of the final votes of each member in every proceeding of the **NLRB** other than adjudications of unfair labor practice cases since January 20, 2009. Instead, such "Deirdre MacNeil" has egregiously engaged in a toll tactic by begging for "**further clarification**" of my unequivocal Request and directed me to "call" an UNCODIFIED officer of the NLRB titled "**FOIA Supervisor**" and named "**Diane Bridge**" if I have "questions". Illegal, suspicious and arbitrary to say the least. Please explain. Thank you, Brady Eames

Dear agents of the United States, In egregious violation of 29 CFR 102.117(c)(2)(v) and regarding this forwarded FOIA order made with respect to my FOIA Request for the **records of the final votes of the MEMBERS OF THE NLRB**, the **FOIA Officer** of the NLRB named "Diedre MacNeil" has illegally advised me to appeal to the UNCODIFIED **"Division of Legal Counsel"** rather than the "Chairman of the Board in Washington, DC". Please explain. Thank you, Brady Eames
