Dear agents of the United States, Upon calling the **phone number** of the **NLRB 's FOIA Branch** (secret **202-273-2722** and unpublished on any current webpage of the NLRB's website or in the 2014-Congressional Directory), an agent who identified as a FOIA "attorney advisor" (first time such advisor had ever received a phone call from the public!) was confident that the public **shall** appeal to the "**Associate General Counsel**" (AGC) and head of the "**Division of Legal Counsel**" (DOLC) to, and that such **AGC and head of the DOLC shall**, adjudicate and make a final appellate FOIA disposition upon the appeal of **ANY** adverse initial FOIA disposition until I directed such advisor to the FOIA regulations of the NLRB codified under *29 CFR 102.117(c)(2)(i)* and *(v)* which inform that the public shall appeal to the **Chairman of the NLRB** (Chairman) to adjudicate and make, and that such **Chairman shall** adjudicate and make, a final disposition with respect to an initial disposition that conceals **records of the NLRB**. Such advisor encouraged me to comply with *29 CFR 102.117(c)(2)(i)* and *(v)*, which, of course, I am doing as a United States citizen, resident of Utah and Federal tax payer. **I shall not be required to resort to, or be adversely affected by, the arbitrary, secret and fugitive FOIA procedures of the NLRB!!!** (see *5 USC 552(a)(1)*) Sincerely, Brady Eames
