Dear agents of the United States, The NLRB's "**FOIA attorney advisor**" named "Michele Wolin " answering the phone (202-273-3840) today for and on behalf of the NLRB's "FOIA Supervisor " named "**Diane Bridge**" informed me today she has "no obligation to talk to me". I had called to request information regarding my FOIA requests and to discuss disputes with respect to the FOIA appellate duty of the NLRB's Chairman. Such NLRB "**FOIA attorney advisor**" named "**Michele Wolin**" then rudely hung up on me. Please explain. Thank you, Brady Eames
