Dear agents of the United States, My previous email message should have read as follows: Although *codified from 1974-1995 under Part 305 of Chapter III of Title 1 of the Code of Federal Regulations*, shall all the recommendations (305.68-1 to 305.93-5) and statements (310.1-310.16) *published in the Federal Register as rules and regulations of the Administrative Conference of the United States (ACUS) from 1973-1994 suddenly and without any repeals of 1 CFR Parts 305 and 310 (see 59 FR 6213 of February 10, 1994) before the ACUS was defunded and ceased operations on October 31, 1995, now, without any notice published in the Federal Register since it was refunded and re-established in March-2010*, NOT be published for the guidance and convenience of the public in the **2011-2015** editions of such Parts 305 and 310, Chapter III and Title 1? Secret **administrative law** indeed!!! Please explain. Thank you, Brady Eames
