Dear agents of the United States, Since the "senior counsel" in the Office of Legal Counsel of the Department of Justice named **Rosemary Hart** was designated as a member of the **Administrative Committee of the Federal Register (ACFR)** on **July 29, 1993**, it appears that the **ACFR**, the **Administrative Conference of the United States (ACUS)** and the **Office of Information Policy** have colluded under a clandestine FOIA rule of the **ACUS** to classify the **formal recommendations and statements** of the **ACUS** as "**reading room**" records and to **not** publish them in the Federal Register and codify them in *Chapter III of Title 1 of the CFR* as **rules** and **regulations** as were all former **ACUS' recommendations and statements** issued from **June 27, 1973** until **August 30, 1993**. Please explain. Thank you, Brady Eames
