Dear agents of the United States, Starting in 39 *FR* 17 on **January 2, 1974** and even after the promulgation of the **Code of Federal Regulation-rule of the Administrative Conference of the United States** that was published in 41 *FR* 29653-29654 on **July 19, 1976** and was codified and preserved as 1 *CFR* 305.76-2 from **1977-1993** and even after the prescription of the **definition of "Rules and Regulations"** that was published in 54 *FR* 9676 on **March 7, 1989** and has been codified and preserved as 1 *CFR* 5.9(b) from **1990-2015**, the **Administrative Committee of the Federal Register (ACFR)** has been in egregious contempt for and undermining 1 *CFR* 305.76-2 and 1 *CFR* 5.9(b) and has been engaged in deceiving and **vexing** the public by publishing exclusively in each **daily issue of the Federal Register** the following **definition of "Notices"** that has **never been duly codified and preserved** in *Title 44 USC 1501-1510*, *5 USC 552(a)(1)*, *1 CFR 1.1-22.7* or *1 CFR 301.1-310.15*: **"This section of the Federal Register contains documents other than rules or regulations that are applicable to the public. Notices of hearings, committee meetings, agency decisions and rulings, delegations of authority, filing of petitions and applications and agency statements of organization and functions are examples of documents appearing in this section."** Please explain. Thank you, Brady Eames
