Dear Ms. Gramian:

I am in receipt of your letter, dated June 22, 2016, in which you request that the Federal Trade Commission revise our Privacy Act/Freedom of Information Act system of records notices (SORNs) to include an OGIS routine use. In the letter, you also request that we respond to you by July 22nd indicating whether we are amenable to making such a revision.

Our Office of General Counsel and Privacy Office already have undertaken the task of drafting amendments to our SORNs to include the OGIS-DOJ language you request. These revisions will be included in our next set of SORN updates.

Please reach out to me at kbrin@ftc.gov or 202-326-2106 with any further questions.

Sincerely,

Katherine Race Brin
Chief Privacy Officer
