Dear Mr. Kravitz,

We have received OGIS's letters, and I apologize for not responding more quickly.

The BBG will update our FOIA/PA SORN (BBG-3—Office of the General Counsel (FOIA and Privacy Act Unit)) with the model routine use language proposed by the Department of Justice as OGIS requests. I am the agency's point of contact for this matter and will be coordinating the update through our various reviewing offices for publication in the Federal Register, so if you have any questions or concerns about the process please feel free to direct them to me.

Thank you for bringing this matter to our attention, and please let me know if there's anything else I can assist with.

Respectfully,

Drew

Dear Mr. Krog:

I write to you in your role as Chief Privacy Officer for the Broadcasting Board of Governors. Specifically, I write to follow up and ask for your assistance with a Privacy Act issue that affects how the Office of Government Information Services (OGIS) carries out its statutory duties. When you have a chance, please review the attached letter. We look forward to hearing from you.
