Scope and Content

The materials in this series are a selective, not necessarily all inclusive, body of records responsive to the topic of FOIA case 2022-0086-F.

This series of photographs consists of ten photographs of Irish broadcaster Ryan Tubridy and his sister Rachel Tubridy with Vice President Biden at the 40th Anniversary of the American Ireland Fund Gala at Trinity College in Dublin, Ireland on June 24, 2016.

These photographs were taken by White House photographer David Lienemann.

System of Arrangement

Records responsive to this FOIA request were found in the Vice Presidential images collection from the White House Photo Office. These records are maintained in the Executive Office of the President instance of the Electronic Records Archive (EOP ERA) which contains electronic records created or received by the administration of President Barack Obama.

The White House Photo Office assigned each image a unique number based on its digital set and frame numbers. Identifying numbers for the Vice Presidential photographs begin with "V" to distinguish them from the Presidential photographs taken by White House photographers.

Images are reviewed and released at the item level in contrast with textual records which are reviewed at the folder level.

The responsive images retrieved from EOP ERA are saved in search results lists (SRLs) within the system. The following is a list of the SRLs saved and processed in response to FOIA 2022-0086-F:

Biden Vice Presidential Records: White House Photo Office Vice Presidential Photographs WHPO [White House Photo Office]
