**Scope and Content**

The materials in this series are a selective, not necessarily all inclusive, body of records responsive to the topic of FOIA case 2022-0114-F.

This series consists of a photograph of Israel's Ambassador and Permanent Representative to the United Nations Danny Danon shaking hands with Vice President Biden at the World Jewish Congress Herzl Award Ceremony at the Pierre Hotel in New York, NY on November 9, 2016.

This photograph was taken by White House photographer David Lienemann.

**System of Arrangement**

Records responsive to this FOIA request were found in the Vice Presidential images collection from the White House Photo Office. These records are maintained in the Executive Office of the President instance of the Electronic Records Archive (EOP ERA) which contains electronic records created or received by the administration of President Barack Obama.

The White House Photo Office assigned each image a unique number based on its digital set and frame numbers. Identifying numbers for the Vice Presidential photographs begin with "V" in order to distinguish them from the Presidential photographs taken by White House photographers.

Images are reviewed and released at the item level in contrast with textual records which are reviewed at the folder level.

The responsive images retrieved from EOP ERA are saved in search results lists (SRLs) within the system. The following is a list of the SRLs saved and processed in response to FOIA 2022-0114-F:
