In the National Aeronautics and Space Administration (NASA) section of the document, Triana is listed within the proposed reductions list.

System of Arrangement

Records responsive to this FOIA request were found in the Cheney Vice Presidential Electronic Records collection which includes email messages and electronic files. These records are maintained in the Executive Office of the President instance of the Electronic Records Archive (EOP ERA) which contains electronic records created or received by the administration of President George W. Bush. These electronic records are born-digital files and are primarily .eml, .pdf, .wpd, and .doc files.

The responsive electronic records retrieved from EOP ERA are saved in search results lists (SRLs) and are arranged chronologically by creation date. The following is a list of the SRLs saved and processed in response to FOIA 2025-0035-F:
