Subject: Updates

Obviously, most of the focus is on the Brown delegation (which I have updated you on separately). But a few other items are of importance:

1. POTUS Sched. Is in flux. As noted separately, he will be attending a previously unscheduled prayer service for the victims. He will go through with the line item veto signing at some point. He intends to keep his plans to go to Oklahoma tomorrow.
2. Meetings. There are two important meetings with POTUS that you are scheduled to attend that may change in time -- but we will monitor:

-- Hilley: This is to update POTUS on the status of budget negotiations. Given your sensitivity on being kept in the loop in this, I have been dogging this closely.

-- Quinn/Ickes: This meeting is to discuss the question of who will be acting Secty of

Commerce. For NOW, it is Mary Good. But she can be displaced by:

(b)(6)

(This is discussed in the lunch memo.)

I will ask Kim to closely track these meetings to make sure you do not miss them.

3. Corp. Resp. This meeting for next week has been cancelled, in part because of the critical role Sec. Brown was to have played. The pension event, however, will probably be held -- albeit on Thursday instead of Tuesday.
