Here is what is going on here today:

1. St. Louis. I put an item in the lunch memo for you to thank the President for his handling of this, and as you can see from this morning's papers, he certainly did do right by you. He boosted up your part of welfare-to-work, and mentioned you politically. Doug Sosnick also deserves our thanks for his work on this, on our behalf.

2. Millenium. The President is going to announce this on Friday, and it is still very fuzzy. When Susan gets back, I am going to ask her to dial up her involvement in this, as we have substantial equities. But it is very sensitive because it is a FLOTUS-Legacy project...

3. (b)(6) Do you know her? She is a candidate for Director of the Women's Office who wants our help. I am told she played a role in

(b)(6) and gets very good marks. She is from

(b)(6)

4. (b)(6) I am seeing her today. Podesta is prepared to do whatever we want on this: put her here, put her at the DNC, or put her nowhere. We'll see.

5. Vacation. Peter called to say that you should spend time on your vacation with Gov. Jim Hunt. It is up to you. I do not think you should do this unless you and Tipper want to -- we can get to Hunt in other ways.

That is about it....
