

UNDER SECRETARY OF STATE  
FOR MANAGEMENT  
WASHINGTON

OCT 28 2014

  
Dear Mr. Bellinger:

The Department of State has a longstanding and continuing commitment to preserving the history of U.S. diplomacy, established in authorities under the Federal Records Act of 1950. I am writing to you, the representative of Secretary of State Condoleezza Rice, as well as to representatives of other former Secretaries (principals), to request your assistance in further meeting this requirement.

The Federal Records Act of 1950, as amended, 44 U.S.C. chapters 29, 31 and 33, seeks to ensure the preservation of an authoritative record of official correspondence, communications, and documentation. Last year, in *Bulletin 2013-03*, the National Archives and Records Administration (NARA) clarified records management responsibilities regarding the use of personal email accounts for official government business. NARA recommended that agencies refer to its guidance when advising incoming and departing agency employees about their records management responsibilities. This bulletin was followed by additional NARA guidance on managing email issued on September 15, 2014. See enclosed.

We recognize that some period of time has passed since your principal served as Secretary of State and that the NARA guidance post-dates that service. Nevertheless, we bring the NARA guidance to your attention in order to ensure that the Department's records are as complete as possible. Accordingly, we ask that should your principal or his or her authorized representative be aware or become aware in the future of a federal record, such as an email sent or received on a personal email account while serving as Secretary of State, that a copy of this record be made available to the Department. In this regard, please note that diverse Department records are subject to various disposition schedules, with most

Secretary of State records retained permanently. We ask that a record be provided to the Department if there is reason to believe that it may not otherwise be preserved in the Department's recordkeeping system.

The Department is willing to provide assistance to you in this effort. In the meantime, should you have any questions regarding this request, please do not hesitate to contact William Fischer, A/GIS/IPS/RA, Agency Records Officer, at (202) 261-8369.

We greatly appreciate your consideration of and assistance with this matter.
