

Senior Agency Official for Records Management FY 2015 Annual Report

The *Managing Government Records Directive (M-12-18)* requires Senior Agency Officials (SAOs) for Records Management to provide an annual report to NARA. This report demonstrates how your organization is achieving the goals of the *Directive* and other important initiatives as identified by NARA.

NARA uses the reports to determine the overall progress of the Federal Government in meeting the goals of the *Directive*, including implementing proper email management and transitioning to electronic recordkeeping. Additionally, NARA uses the report for information sharing purposes to provide best practices and model solutions with Federal agencies.

The reporting period begins on November 16, 2015, and reports are due back to NARA no later than COB January 29, 2016.

Please note that NARA will post a version of your 2015 SAO report on the NARA website. This action is in the interest of transparency in Government and to promote collaboration and communication among agencies. Please let us know whether there is a specific justification as to why your report cannot be publicly shared (in whole or in part).
