SUBJECT: Senior Agency Official for Records Management FY 2018 Annual Report

Attached please find the Inter-American Foundation’s 2018 Records Management Annual Report, which complies with the Managing Government Records Directive (M-12-18) requirement that Senior Agency Officials for Records Management (SAORMs) provide an annual report to NARA.

The Inter-American Foundation (IAF) is an independent agency of the United States government whose mission is to promote grassroots development throughout Latin America and the Caribbean. To achieve this, the IAF responds to innovative ideas presented by the organized poor from Latin and South America aimed at improving their livelihoods. The IAF is one of the smallest federal government agencies, with 42 employees, all located in Washington DC. The agency out-sources many services, including budget, accounting, procurement, payroll and other human resource services. While we are cognizant of the importance of records management, there is no staff person solely designated to those efforts.
