

Senior Agency Official for Records Management 2016 Annual Report

The [OMB/NARA Managing Government Records Directive \(M-12-18\)](#) requires Senior Agency Officials for Records Management (SAORM) to provide an annual report to NARA. This report demonstrates how your organization is achieving the goals of the *Directive* and other important initiatives as identified by NARA.

NARA uses the reports to determine the overall progress of the Federal Government in meeting the goals of the *Directive*, including implementing proper email management and transitioning to electronic recordkeeping. Additionally, NARA uses the report for information sharing purposes to provide best practices and model solutions with Federal agencies.

The reporting period begins on January 9, 2017 and reports are due back to NARA no later than March 17, 2017.

NARA plans to post your 2016 SAORM report on the NARA website upon receipt. Please ensure that your agency's report is a publicly releasable version. This action is in the interest of transparency in Government and to promote collaboration and communication among agencies.
