GENERAL RECORDS SCHEDULE 6

Accountable Officers’ Accounts Records

This general schedule covers accountable officers’ returns and related records, including records under the cognizance of the General Accounting Office (GAO). This schedule does not apply to the copies of schedules and related papers held by the Chief Disbursing Officer of the Treasury. Any records created prior to January 1, 1921, must be offered to the National Archives and Records Administration (NARA) before applying these disposition instructions.

Accountable officers’ accounts include record copies of all records concerned with the accounting for, availability, and status of public funds. There are several types of “accountable officers,” such as: (a) the collecting officer, who receives monies owed to the Federal Government and ensures that it is credited to the proper account; (b) the disbursing officer who is responsible for providing documentation to GAO, since he/she accomplishes the actual payment of public monies to proper Federal creditors; and (c) the certifying officer, whose signature on a summary attests to the authenticity of vouchers listed on the schedule.

Disbursements for most civilian Government agencies are made by the Chief Disbursing Officer of the Treasury, who heads the Division of Disbursement of the Bureau of Government Financial Operations within the Department of Treasury. Since July 1949, disbursements have been made for most agencies on the basis of certified schedules, with the detailed vouchers transferred to GAO from the agency or held in agency space if a site audit was involved. This procedure was extended and confirmed by GAO General Regulation No. 115, issued January 29, 1952, which promulgated a standard form voucher and schedule of payments (Standard Form (SF) 1166 and SF 1167) for use by all agencies, effective July 1, 1952, and formally eliminated the transfer of vouchers of the Chief Disbursing Officer of the Treasury.

This schedule includes records held for onsite audit by GAO, as described in item 1a below. Under onsite audit, vouchers, contracts, schedules, statements of transactions and accountability, and other related supporting documents are retained in agency space for GAO auditors. Section 5 of the Post Office Department Financial Control Act of 1950 and Section 117(b) of the Budget and Accounting Procedures Act of 1950 (whenever the Comptroller General determines that an audit shall be conducted at the site) require agencies to retain these records, which are under GAO cognizance. GAO has given general authority to the agencies, if the records are no longer required for administrative purposes, to transfer all audited records and any unaudited records more than 1 full fiscal year old to Federal records centers. However, to transfer unaudited accountable officers’ accounts less than one year old, permission must be obtained from the Director, Records Management, GAO. Because the records previously transferred to GAO are retained in the agency, some agencies have eliminated the creation of memorandum copies as described in item 1b of this schedule.

Records relating to the availability, collection, and custody of funds include (1) the appropriation warrants, (2) other documents that deposit funds into the Treasury, and (3) documents that provide accountable officers with status reports on funds in their custody, such as the proofs of depository account and statements of funds to their credit. Agency copies of these deposit and status documents are so intimately related to the accounts of these officers that they are included in this schedule. The copies received by the Fiscal Service of the Department of Treasury are not covered by this schedule and are provided for in separate schedules.

If an agency is operating under an integrated accounting system approved by GAO, certain required documents supporting vouchers and/or schedules are included in the site audit records. These records document only the basic financial transaction, money received and money paid out or deposited in the course of operating the agency.
