

GENERAL RECORDS SCHEDULE 10

Motor Vehicle and Aircraft Maintenance and Operation Records

These records pertain to the management, maintenance, and operation of motor vehicles and aircraft used by agencies.

Motor vehicles. Items 1 through 7 pertain to motor vehicles used by agencies. 41 CFR 101-34 prescribes policies and procedures. Standard Form (SF) 82, which is an annual motor vehicle report required by the Federal Acquisition Service, General Services Administration, is the only standardized record. Certain cost and inventory control forms have been developed, but they are not mandatory. This portion of the schedule covers agency records pertaining to the daily use and operation of the vehicles.

In general, records pertaining to motor vehicles reflect a threefold responsibility: (a) the accumulation of cost and operating data for internal accounting and management purposes and for reports submitted to the Federal Acquisition Service (SF 82, Agency Report of Motor Vehicle Data); (b) the maintenance of the vehicles themselves; and (c) protecting the interest of the Government in accident claims against it. The records themselves consist of chauffeur service logs and reports, vehicle repair and maintenance checkoff sheets, cost ledgers, and claims correspondence and forms.

Aircraft. Items 9 through 13 pertain to the management, maintenance, and operation of aircraft used by Federal agencies. 41 CFR 102-33 prescribes policies and procedures. These items include Federal records accumulated in connection with the use of leased aircraft as well as records provided by contractors for government agencies. Specifically excluded from this schedule are previously approved records series from the Federal Aviation Administration, Department of the Air Force, Department of the Navy, and the Department of the Army.

[**Note:** Some of these records may be necessary for the investigation and preparation of accident/incident reports. Agencies conducting their own internal accident/incident investigation congruent with those conducted by the Federal Aviation Administration and the National Transportation Safety Board must maintain those records in accordance with item 13 of this schedule. The records of the Federal Aviation Administration and the National Transportation Safety Board are excluded from item 13 of this schedule.]
