

# FEDERAL AGENCY CEASED OPERATIONS

Schedule Number: NC1-017-76-02

Federal agencies may cease operations when they are established as a temporary entity, are abolished, or functions are transferred to State or Local government or private control.

## Description:

This schedule provided for destruction of records in a Federal Record Center. The agency permanently withdrew these records in 1976, so it is presumed that the records have been destroyed by the agency.

The Bureau of Animal Industry was abolished by Secretary's Memorandum 1320, suppl. 4, November 2, 1953, establishing the Agricultural Research Service.
