	<p>The Rural Forestry Assistance Program is authorized under Section 3 of P.L. 95-313, under the Cooperative Forestry Assistance Act of 1978. This program provides financial and technical assistance to State forestry agencies to improve management of all forest resources through technical advice and assistance to non-industrial private landowners. States utilize Federal assistance to improve management of all forest resources through technical advice and assistance to non industrial private landowners; improve utilization of wood and wood products through technical advice and assistance to loggers and wood processors; procure, produce, and distribute tree seeds and trees, and improve and expand State nursery facilities; develop genetically improved seed through tree improvement programs.</p> <p>These records were generally approved under NN 166-136 (March 14, 1966). Due to recent major manual revisions, extensive revisions of the file plan were required.</p>	<p><del>NN 166-136</del></p>	<p>47 items</p>
