	<p>Records of the Order Enforcement Branch, Dairy Division, documenting the programs of order enforcement carried out under the terms of Public Law 320, 74th Congress dated August 24, 1935, and the Agricultural Marketing Agreement Act of 1937, approved June 3, 1937. This Branch develops and formulates policies, programs, and procedures relating to the enforcement of marketing agreements and orders.</p> <p>These records include, where applicable, documentation of activities previously carried out under the Agricultural Adjustment Act of 1933, Public No. 10, 73rd Congress, approved May 12, 1933. Under this Act, Federal Milk Licenses were issued. Milk orders were first issued under terms of Public Law 320, 74th Congress, dated August 24, 1935, and did not terminate any licenses that were issued as a result of Act of 1933. Federal Milk License Program was discontinued after passage of Public Law 320 and none are in effect. While this schedule specifies records relating only to milk marketing agreements and orders, the same retention periods are to be applied to records on Federal Milk Licenses, where applicable.</p> <p>This schedule covers official record copies. Various lengths of retention periods are administratively determined for other copies within the Division. In no event will the other copies be retained for a longer period than the record copy.</p>	NN-165-182
