### Background Information

APFO is home to one of the country's largest aerial film libraries. We currently house more than 70,000 rolls of film (10 million plus images). Our film dates from 1955 to the present. We have coverage of most of the United States and its territories. Historic aerial images play a more vital role today than ever before with environmental assessments, change detection, and property boundary disputes.

Over the years, APFO joined with other federal agencies in cooperative photography programs. The latest program is the National Agriculture Imagery Program (NAIP). APFO now provides NAIP digital imagery to the USDA Service Center Agencies that utilize Geographic Information Systems (GIS) as the method for administering federal farm programs. GIS streamlines daily operation and facilitates updates of vital information which also helps support our nation's farmers and ranchers and APFO continues to use geospatial technology to facilitate and sustain the growth of FSA programs.

L. 99-198, referred to as the 1985 Farm Bill). Generally, the regulations specify that a person is ineligible for certain USDA benefits if they undertake certain activities relating to highly erodible land (HEL) and wetlands, specifically those involving planting agricultural commodities on HEL or a wetland, or converting a wetland for agricultural purposes. Many persons who obtain Federal crop insurance already receive benefits from other USDA programs, for example, FSA programs that also require compliance with the conservation compliance rules. Therefore, this new requirement will only be a change for those persons who will be required to comply with the conservation compliance rules for the first time because of the 2014 Farm Bill.</p> <table data-bbox="358 1091 1453 1900"><tr><td data-bbox="358 1091 730 1123">Final Disposition</td><td data-bbox="747 1091 1453 1123"><b>Permanent</b></td></tr><tr><td data-bbox="358 1144 730 1176">Item Status</td><td data-bbox="747 1144 1453 1176"><b>Withdrawn</b></td></tr><tr><td data-bbox="358 1198 730 1229">Is this item media neutral?</td><td data-bbox="747 1198 1453 1229"><b>Yes</b></td></tr><tr><td data-bbox="358 1251 730 1368">Do any of the records covered by this item currently exist in electronic format(s) other than e-mail and word processing?</td><td data-bbox="747 1251 1453 1368"><b>No</b></td></tr><tr><td data-bbox="358 1389 730 1421"><b>Disposition Instruction</b></td><td data-bbox="747 1389 1453 1421"></td></tr><tr><td data-bbox="358 1442 730 1538">If this item has multiple sections, indicate here records to which this section apply</td><td data-bbox="747 1442 1453 1538"><b>Non-electronic Textual Records</b></td></tr><tr><td data-bbox="358 1559 730 1591"><b>Cutoff Instruction</b></td><td data-bbox="747 1559 1453 1591"><b>Cutoff at the end of year</b></td></tr><tr><td data-bbox="358 1613 730 1666">Transfer to the National Archives for Accessioning</td><td data-bbox="747 1613 1453 1666"><b>Transfer to the National Archives in 5 year blocks 15 year(s) after cutoff</b></td></tr><tr><td data-bbox="358 1708 730 1740"><b>Additional Information</b></td><td data-bbox="747 1708 1453 1740"></td></tr><tr><td data-bbox="358 1761 730 1793">First year of records accumulation</td><td data-bbox="747 1761 1453 1793"><b>1941</b></td></tr><tr><td data-bbox="358 1815 730 1900">What will be the date span of the initial transfer of records to the National Archives?</td><td data-bbox="747 1815 1453 1900"><b>Unknown</b></td></tr></table>	Final Disposition	<b>Permanent</b>	Item Status	<b>Withdrawn</b>	Is this item media neutral?	<b>Yes</b>	Do any of the records covered by this item currently exist in electronic format(s) other than e-mail and word processing?	<b>No</b>	<b>Disposition Instruction</b>		If this item has multiple sections, indicate here records to which this section apply	<b>Non-electronic Textual Records</b>	<b>Cutoff Instruction</b>	<b>Cutoff at the end of year</b>	Transfer to the National Archives for Accessioning	<b>Transfer to the National Archives in 5 year blocks 15 year(s) after cutoff</b>	<b>Additional Information</b>		First year of records accumulation	<b>1941</b>	What will be the date span of the initial transfer of records to the National Archives?	<b>Unknown</b>
