Under the Act, cost-share assistance payments are limited to 75 percent of an individual producer's or handler's certification costs, with a maximum of \$750 per certification or category of certification per year. The National Organic Program (NOP) currently recognizes four categories of certification: crops, wild crops, livestock and processing/handling. Operations may receive one reimbursement per certificate or category of certification per year. Each certificate may be reimbursed separately. Likewise, each category of certification may be reimbursed separately.
