4.	<p>Miscellaneous data and correspondence draft material for annual reports, and computer printouts; most related to sheep and goat investigations. Date span: 1930s-1940s. Volume: 2 cu. ft.</p> <p>Destroy immediately.</p> <p>Certain records (27 cubic feet) of the former Animal Husbandry Division of the Bureau of Animal Industry (Record Group 17) were shipped from Agricultural Research Service to NARS and offered on accession Job No. NN-375-217. Except for one cubic foot of negatives and photographs of Morgan horses and Karakul sheep and sheep pelts that have already been accessioned into the National Archives and Records Service, the remaining records have been appraised and found to be of temporary value. Therefore, the Agricultural Research Service requests authority to dispose of the following records temporarily located in Room 13E-1, National Archives Building.</p>
