	<p>Laboratory notebooks created by individual research scientist and containing day to day analysis, observations, tabulations, charts, progress of research, results of experiments and other raw data. The research data in these books are of continuing value as much of this data has not been published. These record books are also used to validate patents and they are recalled as needed for reference purposes. We are unable to determine how often or how many of these books will be sent to the FRC annually. It has been recommended by research scientist SRRC that the disposal period for these records be 25 years after the receipt by the FRC. Villere agreed to this change in file on 6-1-76 SC</p> <p>DESTROY WHEN <u>25</u> YEARS OLD</p>	JOB NN 173-18
