1.	<p>Insect collection. 1931-1977. Three insect cabinets, 40" x 37" x 20", 54 cu. ft.</p> <p>Collection consists largely of mosquitoes taken in the Northwest, tabanids from the Northwest and California, and miscellaneous material from the Northwest. The only written records consist of the information on the pins. This collection was of temporary value and is no longer required for our research activities.</p> <p>Approval for immediate disposal is requested. Request for disposal authority is being made to allow this collection to be donated to the Dept. of Entomology at Oregon State University. The bulk of this collection originally came from Oregon and was collected by one of our facilities previously located there.</p> <p>Records Control Schedule NN-173-18.</p>		1 item
