	<p><b>Name:</b> Store Tracking and Redemption System (STARS)</p> <p><b>Agency Program:</b> Food Stamp Program</p> <p><b>Office.</b> Benefits Redemption Division</p> <p><b>Description:</b> The STARS is an agency-wide standard system supporting field office operations. It allows retailer management to be executed from a central point, with a single, consistent user interface. This makes the administration of the FSP more efficient by consolidating tasks and empowering users.</p> <p>The STARS system is divided functionally into three main areas: Store, Compliance, and BRSB. The Store module governs the maintenance and management of the retailers authorized to accept food stamps. The Compliance module records and reports the investigation of non-compliance activities for these retailers. The BRSB module provides logistics functions to the Benefits Redemption Services Branch (BRSB) to assist in recording EBT redemptions, initiating and processing bulk mailing requests, and integration with external systems and applications.</p> <p>STARS supports the following critical business functions:</p> <ul style="list-style-type: none"> <li>• Authorizing retailers to accept food stamps.</li> <li>• Maintaining detailed information about all retailers that have ever participated in the Food Stamp Program.</li> <li>• Facilitating the benefit redemption process for retailers.</li> <li>• Ensuring that retailers remain in compliance with the Food Stamp Program regulations.</li> </ul>
