73	<p>We recommend Item 73a (Regulations) be changed from a 15-year retention to a permanent retention because staff office personnel continuously research the official record copy mainly to verify the higher level signatures included on the document. Politically, a number of the program regulations are highly controversial, and often result in court suits which can take years to resolve. These seem to be the ones that are mostly researched years later. We have kept 17 years of regulation files here on the premises because of the constant interest in them.</p> <p>We suggest the following changes to this scheduled item.</p> <p><u>Regulations.</u></p> <p>Filed numerically by CFR Part and by fiscal year. Official record copy of regulations, along with record of official clearances and General Counsel's comments when applicable, which have been published in the Federal Register.</p> <p>a. Official record copy, Washington Office: PERMANENT. <sup>Retire</sup> Transfer to the FRC when 10 years old. <sup>Transfer</sup> Offer to NARA when 15 years old.</p> <p>b. All other copies. Destroy when superseded or obsolete.</p>
