	These files are described in Entry Nos. 35A and 124 of NC1-29-79-7. These particular files are extracts of 1970 Decennial Census microdata files plus tabulations thereof for households in areas which were subject to boundary changes and annexations between the 1970 Census and 1973 that were created for General Revenue Sharing Program purposes. Attempts to copy these files to 6250 tapes were unsuccessful due to read error problems. The files, however, can be recreated from 1970 Decennial Census and Geography Division files.
