**AGRICULTURE DIVISION RECORDS SCHEDULE**

This Records Schedule covers records created by the Agriculture Division and replaces Schedule NN172-97.

This division has the responsibility for planning and conducting the Census of Agriculture Program and the Cotton Statistics Program. The division consists of 12 branches which report to one of the four assistant division chiefs (each assistant division chief supervises one to three branches) which in turn report to the division chief. Records are maintained by the division chief, the assistant division chiefs, the Planning Staff, the General Files Office and the Branches.

All changes to this proposed schedule have been approved by:
