OFFICE OF INSPECTOR GENERAL

- 1. INSPECTION AND PROGRAM EVALUATION REPORT FILES-ORIGINALS:**
Case files of recurring inspections and program evaluations that assist management in identifying, analyzing, and resolving program and organizational performance and policy issues; studies of areas of specific concern, and internally generated study initiatives designed to achieve organizational improvement. These files include copies of official draft and final reports issued by the Inspector General to agency heads, project start sheets, report review process sheets, report distribution lists, correspondence, and agency action plans, if applicable.

Disposition: Cut-off at end of fiscal year in which inspection report or program evaluation case file is closed. Retire to the FRC three years after cut-off. Destroy 8 years after cut-off.

- 2. INSPECTIONS AND PROGRAM EVALUATIONS-WORKING PAPERS:** Copies of all relevant information generated, obtained, and used in supporting inspections and program evaluations, including the objectives, scope, and methodology and documentation of work performed to support findings, conclusions, and recommendations. Examples of such working papers would include: copies of interview notes, survey questionnaires prepared by the inspections staff; and source documents, raw data, publications, and other materials, from the agencies being inspected.

Disposition: Cut-off at end of fiscal year in which inspection report or program evaluation case file is closed. Retire to the FRC three years after cut-off. Destroy complete working papers file after 8 years.

- 3. ELECTRONIC RECORDS:** Electronic copies of records that are created on electronic mail and word processing systems and that are used solely to generate a record-keeping copy of the records.

Disposition: Destroy/delete after the record-keeping copy has been produced.
