1.	<p>Export Promotion Services Office of Marketing Programs Marketing Publications and Services Division Marketing and Awareness Branch</p> <p><u>COMMERCIAL NEWS USA Product Background File</u> - consists of International Market Search (IMS), New Product Information Service (NPIS), Trade and Technical Literature (T&amp;T), and Worldwide Services Program (WSP) applications. These forms contain original information submitted by participating firms, including product data, extra copies of photographs and authorizations to publish the firm's information. Such information is published in COMMERCIAL NEWS USA.</p> <p>The data contained in the applications are important to program evaluation and the development of user profiles. Additionally, the file contains industry information, namely, lists of trade events, directories and relevant feature articles submitted by trade development agencies and associations dealing with industry issues. This material is used in responding to periodic inquiries and is essential in maintaining the program's export promotion service.</p>
