<i>7-20-84</i>	<i>Charles J. Brett</i>	ITA Records Management Officer	1.	<p><u>IBM Discovery Files</u> -- Copies of documents provided to the Justice Department by various elements of the Domestic and International Business Administration (DIBA) in the anti-trust case, <u>United States v. International Business Machines Corp.</u> The predecessors of such current International Trade Administration units as the Office of Export Administration, the Office of Export Enforcement, and the Office of Industrial Resource Administration, and their constituent Divisions, generated the bulk of the material in the Discovery Action. Appropriate items in the ITA Records Control Schedule provide for the disposition of the official, record copies of most of the material cited here.</p> <p>Included among the Discovery Files are photocopies of: Applications for Export Licenses; Export Licenses; ACEP and OC Documents; Distribution Licenses; International List Review Papers; Investigative Case Documents; COCOM Exception Case Papers; and related correspondence. A small amount of reel microfilm and ADP magnetic tape ( about 1½ cubic feet) concerning Export License Applications and Export Licenses comprise the only non-textual material in the files.</p> <p>Inclusive dates range from December, 1957 through January,</p>		<i>1 item</i>
