## **Schedule Number: N1-375-88-003**

All items in this schedule are inactive. Items are either obsolete or have been superseded by newer NARA approved records schedules.

### Description:

There is no evidence the records were ever transferred to the FRC as required by the schedule. Due to the facts that the records concern reconstructing records 40 years old and older, and disposal was authorized 27 years ago, disposal at the agency is assumed.
