

NOTICE - SOME ITEMS SUPERSEDED OR OBSOLETE

Schedule Number: N1-417-96-001

Some items in this schedule are either obsolete or have been superseded by new NARA approved records schedules. This information is accurate as of: 11/21/2022

ACTIVE ITEMS

These items, unless subsequently superseded, may be used by the agency to disposition records. It is the responsibility of the user to verify the items are still active.

Items 1, 2, and 3: These records were appraised as permanent. They were permanently withdrawn by the agency in May 2002 rather than transferred to NARA. They do not appear to have ever been accessioned by NARA.

SUPERSEDED AND OBSOLETE ITEMS

The remaining items on this schedule may no longer be used to disposition records. They are superseded, obsolete, filing instructions, non-records, or were lined off and not approved at the time of scheduling. References to more recent schedules are provided below as a courtesy. Some items listed here may have been previously annotated on the schedule itself.

Items 4, 5, and 9 were destroyed in December 1996 and October 1999.

Item 6 was withdrawn.

Items 7, 10, and 11: Some records were destroyed in December 1996 and October 1999, but others were permanently withdrawn in May 2002. Since the records were disposable when 20 years old, disposal is assumed to have taken place at the agency.

Item 8 was destroyed in December 1996.

Unscheduled Records of the National Telecommunications and
Information Administration (NTIA)
Revised: 10/13/95

This schedule covers records stored in the Washington National Record Center (WNRC) only. It does not provide continuing disposition authority for records that are listed in the NTIA records handbook, or for other unscheduled records that are currently created and maintained in NTIA offices or organizational units. The National Archives reserves the right to dispose of during archival processing any records which are nonarchival, duplicative, fragmentary, or incomplete, and records that are already authorized for destruction in other approved agency schedules or the General Record Schedules.
