	The Office of Administration is responsible for the development and conduct of administrative management and resource policies and practices for BIS. The Office of Administration carries out the responsibilities mandated by the Clinger-Cohen Act, the Chief Financial Officer's Act and the Government Performance and Results Act. The Office manages administrative functions in support of headquarters, domestic, and overseas operations; maintains liaison for administrative services provided by the Chief Financial Officer and Assistant Secretary for Administration; coordinates the administrative aspects of BIS programs involving other departments and agencies; provides supervision and guidance for the implementation of BIS's administrative management and resource policy functions; functions as the BIS's security office; and monitors and evaluates reimbursable agreements and shared programs and advises annually on continuance or modification of those agreements; supports the Under Secretary and Deputy Under Secretary in developing BIS programs related to the Department and government-wide initiatives in the areas of diversity, quality management, foreign technical assistance and reinvention; and provides administrative services and support of BIS's program offices. The Office of the Comptroller and the Office of Planning, Evaluation and Management fall under the Office of Administration.	N1-476-93-1
