Background Information

The Joint Interoperability Test Command (JITC) conducts testing of national security systems and information technology systems hardware, software and components. Services include developmental, conformance, interoperability, operational and validation testing.

JITC provides "one-stop systems testing" with its one-of-a-kind array of test beds and uniquely qualified staff. The command can interface all of its on-site capabilities and its network with any other testing or operational facility worldwide. The JITC facilities are located at Fort Huachuca, Ariz., and Indian Head, Md. JITC is a member of the Major Range and Test Facility Base (MRTFB).

JITC services the Defense Information Systems Agency (DISA), combatant commands, the Department of Defense (DoD) and other federal agencies, allies, coalition partners and commercial vendors.
